GENERAL BUSINESS

Tony Park tabled an e-mail received from Elaine Farmer re a request from some *elite* rowers who were prepared to train hard and contest to be the State rep crew. The feeling around the table was unanimous in that there is no benefit in this being the case. Who's boat do they use and setup, what sweep do they use, what about injuries and work commitments, the only way to implement this is if there is no rep crew then to use composite crews.

Motion put Status Quo remains, this suggestion is not necessary at this time.

Moved Peter Tidswell/Ray Wright

CARRIED by

unanimous vote.

Lifesaver relay to be introduced this season looking at first event on the calendar. It will be a State titles event. It is already in the Australian Titles.

Trevor Ferguson wanted to know if the State team selection process could be done at later date, it was explained that with the difficulties of clothing and flights this was not possible.

Peter Edwards. John Slaven asked Peter to see if the Boat Panel could find out why he could not get re-imbursed for his payment of his gun license to cover him using the shotgun. Bristles to follow up with Dave Earl.
